This guide lists courses offered at U-M that fulfill the requirements for the LACS Graduate Certificate. Courses numbered 600 and above count toward the LACS Graduate Certificate, and a few 400 level courses may count toward it also, but must be discussed with the LACS Advisor. Longer descriptions and additional information for each course can be found in the LSA on-line course guide.

In some cases course descriptions may change, or courses may be removed before the beginning of the semester. Also, new classes may be added (or we may have missed them). Please inform us if we need to make any corrections.
