This guide lists courses offered at U-M that fulfill the requirements for the LACS Undergraduate Concentration Program and the LACS Academic Minor. Courses up to the 400 level may count toward the LACS concentration or minor. Longer descriptions and additional information for each course can be found in the LSA on-line course guide.

In some cases course descriptions may change, or courses may be removed before the beginning of the semester. Also, new classes may be added (or we may have missed them). Please inform us if we need to make any corrections.
